Claim Rejections - 35 USC § 112

Claims 1 – 25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claims 1, 2, 8, 12, 13, 17, 19, 20, and 24, the phrase “its driving from the vehicle” (lines 4, 5, 5, 4, 5, 5, 5, 5, and 6, respectively) is not readily understood. Are Applicants claiming that the obtained information from a vehicle is *driven* from the vehicle? It is also suggested to verify that wherever "vehicle" appears in the claims that proper antecedent basis is preserved.

Claims 3 – 7, 9 – 11, 14 – 16, 18, 22, 23, and 25 are necessarily rejected as being dependent of their respective base claims.

Allowable Subject Matter

The claims presented in the Application appear allowable over the prior art of record. However, a final determination cannot be made until the above rejection is resolved.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. As per attached PTO-892.
